

# The Los Angeles Trust for Children's Health

School Health Integration Measure						
		Never (0%)	Sometimes (1-33%)	Often (34-66%)	Frequently (67-99%)	Always (100%)
<b>1. Health authority</b>						
1a.	SBHC contributes subject matter expertise on school wellness policies and health-related programs and services (nutrition, physical activity, safety, discipline) that support student well-being.					
1b.	SBHC actively promotes campus-wide policies and practices that assure a safe and healthy school environment for all students and staff, including participation in school's crisis prevention and intervention plans.					
<b>2. Integrated programming</b>						
2a.	A specific protocol exists for the SBHC to refer students for academic support in the school.					
2b.	A specific protocol exists for the school to refer students for health support in the SBHC.					
2c.	SBHC conducts schoolwide health campaigns or events.					
<b>3. Marketing and recruitment</b>						
3a.	SBHC conducts active outreach in the school or community to inform <b>students</b> about the services it provides.					
3b.	SBHC conducts active outreach in the school or community to inform <b>school staff</b> about the services it provides.					
3c.	SBHC conducts active outreach in the school or community to inform <b>families</b> about the services it provides.					
3d.	SBHC successfully enrolls students in services who are identified in school population screens.					
<b>4. Shared outcomes</b>						
4a.	SBHC and school regularly and actively exchange information about aggregate student well-being and outcomes.					
<b>5. Staff Collaboration</b>						
5a.	SBHC and school staff spend time together collaborating on student support.					
5b.	SBHC has a formalized understanding of how it collaborates with school administration, teachers, and support staff—school nurses, psychologists, and counselors—to ensure the partnership meets student needs efficiently, effectively, and seamlessly.
