

The Los Angeles Trust for Children's Health Values Statement

Compassion

At the basis of our work are compassion and a belief in the inherent value and dignity of every child.

Diversity

We are committed to inclusiveness and full representation of our communities.

Excellence

We are evidence-based and outcome-oriented.

Health Equity

We develop sustainable support systems and programs that promote equal access to healthier futures.

Innovation

We promote and embrace new cutting-edge practices to improve health outcomes for our students and community.

Integrity

We practice transparent and honest communication and fulfill commitments in a climate of mutual respect.

Partnerships

We build community partnerships furthering the rights of LAUSD children and their families to be healthy and succeed in school.

Youth Empowerment

We actively create opportunities for youth to be change agents and reach their full potential through health advocacy and leadership.
