L.A. County School Health Centers Conference

Date: Monday, October 30, 2017

Time: 9:00 AM - 3:00 PM

Place: The California Endowment, Center for Healthy Communities

With more than 75 school based health centers (SBHC) across 15 school districts in Los Angeles County, there is great work happening to promote the health and wellness of students to ensure that they are ready to learn and succeed. SBHCs are delivering high quality, culturally sensitive services that enable them to effectively fill a niche as an integral part of the health care, mental health, public health and educational systems. The goals of this conference are to bring together providers and advocates of school based health care to share strategies and best practices -- and reignite the SBHC movement in Los Angeles County.

Submission deadline: Friday, September 1, 2017
