

SmileDrive

An Initiative of America's ToothFairy

Join the movement to save young smiles by participating in the America's ToothFairy Smile Drive!

In February 2018 for National Children's Dental Health Month, or throughout the year, America's ToothFairy invites you to participate in the America's ToothFairy Smile Drive. Similar to a canned food drive, but for oral healthcare products, the Smile Drive is a national campaign to collect toothbrushes, toothpaste and other essential products for children and youth in need.

Over the last three years, more than 1.3 million products have been distributed to children in underserved communities as a result of the Smile Drive.

This year, you can lead a Smile Drive at your school, business or practice, benefiting children and youth in your community. Simply set up a collection box for donated products, choose a local charity to receive your donations, and deliver the oral healthcare items you collect by March 20, 2018, World Oral Health Day.

**GREAT PRIZES
for Smile Drives
collecting the most
donated products!**

**Register and download your free Smile Drive Toolkit today
at www.SmileDrive.org or call 800-559-9838.**

After receiving his Smile Drive toothbrush, 7 year old David said:

"I didn't have a toothbrush. I had been wishing for one, and my dream came true!"
