

## Wellness Coordinating Councils

A WCC meeting is held at each wellness center on a monthly basis. The goals of the WCC are to ensure best practices are implemented to improve service delivery to students, families, and the community. The WCC will adhere to the Wellness Logic Model which entails of network operations, student engagement, & community engagement.

Participants of the WCC may include Wellness center provider staff, school staff, district staff & community partners.

\*Other staff that may participate:

Operations Coordinators, Plant Managers, Complex Plant Managers, Facilities staff, Board Members Staff
